President’s Welcome

Central Pennsylvania ASHRAE members,

June marks the end of the ASHRAE Society Year and that means I get to reflect on the past 12 months. I can honestly say that I am incredibly proud of our team and all that we have accomplished. We welcomed many new faces this year, and each of them stepped up and knocked it out of the park. I specifically want to thank Connor Hitchings for organizing the outstanding technical presentations and meetings we held throughout the year.

Additionally, all of our current Board of Governors members and committee chairs are returning for the 2026-2027 chapter year, which I believe is a testament to the strength of our chapter. This year, we focused on providing interesting and engaging meetings while increasing chapter attendance, and I believe we achieved meaningful year over year growth. That said, there is still more work to do, and I look forward to seeing this progress in the coming years.

Recently, our officer elections took place, and the results were unanimous. I am pleased to introduce your officers, governors, and committee chairs for the 2026-2027 year (see table on last page).

We will officially swear in these outstanding volunteers at our next Board of Governors meeting on June 10th. If you are interested in attending, please reach out to me at: president@centralpaashrae.com

Even though we are just about at the end of the chapter year, we still have two fantastic events coming up quickly. First, on June 21st we will host our annual Family Night at the Harrisburg Senators game. Bring your family for a fun-filled day of baseball. Then, on July 17th we will hold our annual golf outing at Armitage Golf Club. This is always a great event, rain or shine, and we hope to see many of you there.

As always, our chapter is looking for enthusiastic individuals who are eager to learn more about our industry and help advance ASHRAE’s mission. If you’re interested in getting more involved, please reach out to me at president@centralpaashrae.com. We need your input and energy to make 2026 our best year yet.

Thank you,

Matt Faller, PE

Central PA Chapter President
